

RESIDENT ADVISORS INTERVIEW TOPIC GUIDE

Triggers	Questions
We are interested in finding out how and why residents got involved the Neighbourhood resilience Programme.	
Involvement	Please tell me about your involvement in the programme? <i>Prompts</i> <i>How long have you been involved?</i> <i>How did you get involved?</i> <i>When did you get involved?</i> <i>What kind of things have you been involved in?</i>
Motivations	What motivated you to get involved in the programme?
Enablers	How do you feel you have been supported to take part? What/who has supported you to get involved? What/who has supported you stay involved?
We are interested in hearing what people know/understand about the work that is happening in their areas.	
NRP	What do you think the programme is trying to do in your area?
We want to understand what difference residents think the project will make for the people and areas that are taking part in the programme.	
Health inequalities	How do you feel the programme will make a difference in your area/neighbourhood?
Impact	What do you feel you have gained from taking part so far? What do you feel has happened in your area as result of being a part of the programme?
We want to know how residents feel about being involved and what things make it easy or difficult to take part.	
Obstacles	Have you faced any barriers or issues whilst taking part in the programme? If yes can you tell me a little more about these please?/What issues/barriers have you faced during your time with the project
We want residents to help us make sure that we are helping people take part in the best way possible and delivering the programme effectively	
Improvement	If you could change one thing about your involvement or the project what would it be?
	What is the best thing about being part of this work- (can move this to involvement section or we can end with this)

Is there anything else you would like to add for feel you did not get a chance to say?
