

# Resilient Moss Bay

## Community Engagement Co-ordinator

**£4,500 per annum (fixed term for 2 x years)**

**Approx: 1 x day per week**

### Is this you:

- Want to help improve health & wellbeing and community resilience across Moss Bay?
- Can you motivate & engage people?
- Keen to support residents to research and engage in sustainable projects?
- Could you recruit, develop & co-ordinate resident advisers from within Moss Bay?
- Enjoy working with partners from across public, private, voluntary and community organisations.

### If yes, we would like to hear from you.

### Duties:

- Advertise, recruit & develop approx.: 15 x volunteer resident advisers to assist with the research and community engagement around this project.
- Supervise resident advisers
- Develop mechanisms with the assistance of the programme manager to assist resident advisers in understanding research and engagement
- Review and evaluate resident adviser activities and make enhancements to improve effectiveness
- Identify potential community partners and build lasting and reciprocal relationships.
- Facilitate stakeholder engagement events.
- Maintain accurate records with regard to expenses for volunteer resident advisers and community events.
- Compile reports and attend meetings with both COREN (Community Research & Engagement Network) and the LOG (Local Oversight group) to update.

# Resilient Moss Bay
